Contents

1 First Section: Description and Figures

This is a LaTeX Tutorial. In this tutorial I am going to embed a bunch of different stuff. What happens now? I'll circle back to this part after I'm done doing other stuff.

Figure 1: 2019 BMW M8 Coupe

2 Second Section: Math Equations

The Equation for a Straight Line is:

$$y = mx + b \tag{1}$$

The Quadratic Equation is:

$$x = \frac{-b \pm \sqrt{b^2 - 4ac}}{2a} \tag{2}$$

The Theory of Special Relativity is:

$$e = mc^2 \tag{3}$$

3 Third Section: Simple Tables

Table 1: This Is A Simple Table

x	y	z
6	9	42
46	2	41
